

P5 LUMINAIRE

Dear Friends of P5,

I am Amos Lim, HP [+6596999028](tel:+6596999028), of P5 Luminaire.

We will be sending regular updates and keep everyone equipped with the latest information and new discover along the way.

We look forward to your feedbacks and also information in which you would like to share with us.

Meanwhile, continue to stay safe during this period.

Have a wonderful Friday & have fun reading.

Deltalight New Collection 2020:

In this inspiring **New Collection Magazine**, you'll find out all about our new offerings, from **office lighting** with comfort-driven technology, to versatile **outdoor lighting**, to elegant solutions for **hospitality and residential** projects.

Discover the Next Level of Lighting with technical **architectural lighting**, **precise illumination tools**, and sophisticated **artist collaborations** such as with lighting designer **Dean Skira** and Belgian designer **Nathalie Dewez**.

For the latest product launches and projects, please check out our **social media channels**. Click [here](#) to download the pdf catalogue of Delta Light.
