Meanwhile, continue to stay safe during this period. Have a wonderful day & have fun reading.

Our Stories;

We aim to create aesthetic and exclusive lighting which reflects the riches and joy found in Nordic nature. With the chandelier as a centre, Nuura offers lighting collections that enrich the room and complete the interior in both private homes and public spaces. By combining delicate design with state of the art technology and carefully chosen materials of high quality, we strive to create unique quality lighting that has a positive impact on our wellbeing. Nuura is the new modern classic in a sensuous and timeless design. The meaning of Nuura is light and honour. Inspired by the Nordic light from our base in Denmark we wish that our lighting collections will spread life and joy. Founded in 2017 by Sofie Refer, Nadia Lassen and Peter Østerberg.
